Lichfield Society of Artists Member Profile

Name: Lynne Kirby

Interest: I love landscape scenery and enjoy visiting interesting UK towns and villages as well as countryside and coastal walks. I like sketching en plein air. I enjoy art exhibitions and have collected a few original contemporary pieces including etchings, lino prints and ceramics.

Background: I have an online shop on Etsy called Lost In Paint where I sell prints of my watercolour and pen landscapes and local landmarks. I take commissions for custom paintings for similar scenes and house portraits. I gained a BA(Hons) in Graphic Design from Leicester Polytechnic in 1991 after attending Walsall Art College.
