

## Lichfield Society of Artists Member Profile

**Name:** Ilkay King

**Interest:** Exploring texture and colour through mixed media, with a focus on creating depth and evoking emotional responses. Inspired by nature and human connection, combining organic and abstract elements through acrylic paint and modelling paste. Embracing experimentation and the continuous discovery of new techniques and materials

**Background:** A self-taught mixed media artist, she began her practice in 2024, developing a distinctive approach centred on textured, layered compositions. She holds a degree in Business Management with experience across international, high standard professional and community focused environments, bringing a reflective, organised and strategically minded approach to her work. Work was selected for the International Women's Day 2025 exhibition at Lichfield Guildhall and, in 2026, for the 8<sup>th</sup> Turkish Community Art Exhibition at the Yunus Emre Institute, where it was included in the Global Art Catalogue. First solo exhibition held at Shenstone Library with work also featured in Turkiye's leading national newspaper, Hurriyet
